CandyCoat Pro Limited Warranty

Ultra-Look Corp. warrants to the owner of the nominated vehicle that if CandyCoat Pro Ceramic Nano Coating is unsatisfactory in its performance of protecting the vehicles factory paintwork from permanent damage incurred by oxidation, bird droppings, bug splatter, tree sap, grease or UV damage, whilst being maintained in accordance with the terms and conditions of this limited warranty, Ultra-Look Corp. or its Certified Installer will at no cost to the owner repair, clean, and/or retreat the affected area(s) and remedy the same under the "Limit of Liability".

GENERAL TERMS AND CONDITIONS

The following general terms and conditions apply to any and all Ultra-Look Corp. Warranty Program products:

1. Warranty term begins from the date of product application and is only valid if the Certified Installer has issued a **Warranty Card**. It is the vehicle owner's responsibility to register their limited warranty with Ultra-Look Corp. online at www.candycoatpro.com within 30 days of product application.
2. This agreement excludes vehicles used for commercial purposes at any time previous to, presently, or during the course of this warranty period.
3. Any application, re-application, repair work or other work carried out on the coated surface must be applied, reapplied, or repaired by a Certified Installer after claim approval from Ultra-Look Corp.
4. CandyCoat Pro Ceramic Coating is only warranted if applied by an Ultra-Look Corp. Certified Installer.
5. Prior to application of any CandyCoat Ceramic Coatings, the Ultra-Look Corp. Certified Installer must prepare the vehicle's exterior painted surface within the prescribed guidelines set forth by Ultra-Look Corp. to achieve a level of paint correction that is free from defects and contaminants.
6. Ultra-Look Corp. is not responsible for damages other than those described within the *WARRANTY* provision herein.
7. If damages other than those described within the *WARRANTY* provision occur to the treated surface of the vehicle, the warranted vehicle must be taken to a Certified Installer for retreatment to the repaired area at the owner's expense within 30 days in order for the *WARRANTY* to remain in effect.
8. The Ultra-Look Corp. Certified Installer must be notified of any claim due to failure of product performance within 30 days of occurrence.
9. Vehicle must remain continuously registered within the United States for the duration of the warranty.
10. Warranty is registered in the name of the vehicle owner and is non-transferrable.
11. Glass, metal, plastic trim, painted bumpers, chrome, wheels, interior of truck beds and tailgates are not covered by this warranty.

12. Warranty is valid only for factory clear-coated paint and excludes any non-clear-coated surfaces, matte finishes or vinyl wraps.
13. The vehicles exterior paintwork must be maintained and washed regularly on a monthly basis to Ultra-Look Corp's recommendations, to prevent contamination build up. After washing insure that no water is left to dry on the coated surface, particularly within the first two (2) weeks after installation. In the event that your vehicle is exposed to high mineral-content water ("hard" or "soft" water) like that from some automated car washes, sprinkler systems or tap water in some areas, then all coated areas need to be dried as soon as possible with a clean microfiber cloth. Any water that is left to dry may form visible ringlets, which should be wiped off with vinegar until the mineral deposit is removed, as soon as possible.
14. Annual Inspections are required to maintain coverage under this Limited Warranty.
